

Birds Queensland

Garden Bird Survey 2019/20

Name:	Phone:
Address	Postcode:

For each species, please record the maximum number seen at **any one time** during **the week**. For species not recorded from your garden but seen in the next garden or flying over, please record numbers with the abbreviation NG or FO to distinguish them. Please continue this survey for as many weeks as possible.

Week	1	2	3	4	5
