

Bird Identification Classes 2009

An Advanced class will be held for those who already know a bit about birds in May. A Class for Beginners will be conducted in September. We introduce you to most of the common land birds of South-east Queensland. A class consists of: **Two evenings of talks** (mid-week) and **Two field outings** (weekends). Each is about 2 hours.

For further details please phone 3870 8076 or 3398 5118

All materials including class notes, binoculars and field guides are supplied.

Total cost for 2 classes and 2 outings \$25.

.....
