

Queensland Ornithological Conference

June 23rd 2018

Hosted by Birdlife Southern Qld & Birds Queensland

ABSTRACT GUIDELINES

Abstract guidelines are the same for oral presentations and posters. All oral presentations will run for 12 minutes with 3 additional minutes for questions. Indicate your preferred delivery method on the form below, but please note that there are a limited number of oral presentation slots available so we cannot guarantee an oral presentation.

Abstracts should be prepared based on the template below **and submitted by email no later than 27 April 2018**. Please do not alter the styles, fonts or layout of the template. Simply overwrite the text indicated to use the preset styles for title, authors, address, abstract.

Abstracts are to be **no more than 250 words**; accepted abstracts longer than this will be truncated to the required length.

The abstract should provide a short summary of the proposed presentation, complete in itself. Do not include references, tables or figures.

Please also supply a brief 2-3 sentence bio including your current position and research interests using the template below. Session chairs may draw on this to introduce you.

Abstracts will be reviewed by a conference subcommittee and applicants notified before the early bird registration closes on **31 May 2018**. Particular consideration will be given to talks addressing the conference theme of 'Habitat' and we hope to have an overall program that represents the diverse range of bird habitats in Australia.

Please name your abstract file according to this format "QOC_Surname_Abstract_presentation-or-poster" in Microsoft Word format (doesn't matter which version).

Submit your abstract and bio with the subject title "Abstract submission" using the template below to queenslandbirdconference@gmail.com

QOC 2018

Abstract Template

Title of abstract

Preferred delivery: Oral talk

Poster

First author [full name]^{1,2}, Second author¹ and Third author^{2,3}
