& Research

Birds Queensland conducts FREE monthly talks on birds, birding matters or bird related research on the first

Thursday of each month at 7:30pm at the Royal Geographical Society 237 Milton Road, Milton. Everyone is welcome.

Members are available to speak on Native Birds to Community Groups, Schools, Clubs

Bird Week

Teach yourself about Queensland's native birds by using this sheet

Birds Queensland would appreciate a copy of your count. Completed count forms or copies may be sent to

The Secretary, Birds Queensland,
 PO Box 2273 Milton Qld 4064.

What's That Bird?

Keep a record of the birds that visit your home, school, play ground, park, bush area or playing field. Use a separate sheet for each site.

For extra copies of the record sheet photocopy the other side or download a copy from Birds Queensland's website

Field guides have more information on native birds. Birds Queensland's web site has suggestions.
